On October 11, 2001, Basin Electric Power Cooperative (Basin Electric) submitted to the Public Utilities Commission (Commission) an application for a permit to construct transmission facilities as defined at SDCL 49-41B-2.1(2). According to the application, these facilities consist of an asynchronous tie that would connect the eastern and western transmission grids near Rapid City, South Dakota. The rating of the tie would be in the range of 100 to 300 million volt-amperes, depending on the capabilities of the associated transmission system. The project is known as the Rapid City Tie Project and includes: approximately 23 miles of 230 kilovolt transmission line; a line terminal at the western edge of the project referred to as the South Rapid City Substation; an asynchronous tie converter station four miles southeast of the South Rapid City Substation; and a line terminal bay at the existing New Underwood Substation, at the eastern edge of the project. The project is located completely in Pennington County, South Dakota.

The Commission has jurisdiction over this matter pursuant to SDCL Chapter 49-41B, specifically 49-41B-1, 49-41B-2, 49-41B-2.1, 49-41B-4, 49-41B-11, 49-41B-12, 49-41B-13, 49-41B-15, 49-41B-16, 49-41B-17, 49-41B-17.1, 49-41B-21, 49-41B-22, 49-41B-25, 49-41B-26, 49-41B-33, 49-41B-38, and ARSD Chapter 20:10:22.

The Commission finds that good cause exists to schedule a public input hearing pursuant to SDCL 49-41B-15 and 49-41B-16. The purpose of the hearing shall be to hear public comment regarding Basin Electric's application. Further, each municipality, county, and governmental agency in the area where the facility is proposed to be sited; any non-profit organization, formed in whole or in part to promote conservation or natural beauty, to protect the environment, personal health or other biological values, to preserve historical sites, to promote consumer interests, to represent commercial and industrial groups, or to promote the orderly development of the area in which the facility is to be sited; or any interested person, may be granted party status in this proceeding by making written application to the Commission. It is therefore

ORDERED, that the application by Basin Electric shall be and the same is, incorporated as if set forth in full herein; and it is

FURTHER ORDERED, that pursuant to SDCL 49-41B-17.1, a party may receive all material filed in this matter by making a specific request to the Commission for personal service of the material.
